MUNICIPAL EMERGENCY OPERATIONS PLAN

A. PURPOSE:

This municipal plan has been developed to provide procedures for the Town of Atlanta to contact government agencies to respond to various types of emergencies or disasters that affect the community. It provides a link to procedures that will be used by county government since the Town of Atlanta is part of the county emergency management program. This town plan is to be used in conjunction with the Rusk County Emergency Operations Plan (EOP). The town plan will be maintained in accordance with current standards of the Rusk County EOP and in accordance with the Town of Atlanta. Review of this municipal plan shall be accomplished concurrently with the county plan.

B. SITUATION AND ASSUMPTIONS:

Several types of hazards pose a threat to the lives, property or environment in Rusk County. These hazards should be outlined in the Rusk County Hazard Analysis at the County Emergency Management Office.

C. CONCEPT OF OPERATIONS:

Town officials have primary responsibility for disasters, which take place in the town. They will activate the appropriate town agencies to deal with the disaster. The Emergency Coordinator is responsible for coordinating the response of town necessary agencies and coordinating the response with county officials if county assistance is necessary.

Actions that the town and county should consider if this town plan is activated.

- 1) Town officials assess the nature and scope of the emergency or disaster.
- 2) If the situation can be handled locally, do so using the procedures in this plan as appropriate. If it is determined that additional resources are necessary, the Emergency Management Coordinator must be notified.
 - a) The Emergency Management Coordinator/Town Chairman or designee coordinates all emergency response actions when requested.
 - b) Town Chairman or designee declares a local state of emergency. The Town Emergency Management Coordinator notifies the County Emergency Management Coordinator of this action.
 - c) The Town Emergency Management Coordinator faxes the local state of emergency declaration to the County Emergency Management Coordinator office.
 - d) The Town Emergency Management Coordinator activates the municipal EOC.
 - e) The Town Chairman or designee issues directives as to travel restrictions on local roads and recommends protective actions if necessary.
 - f) The Town Chairman or designee notifies the public of the situation and appropriate actions to take.
 - g) The County Emergency Management Coordinator keeps county officials informed of the situation and actions taken.
- 3) When town resources become exhausted or when special resources are required, request county assistance through the Rusk County Emergency Management Coordinator.
- 4) When assistance is requested, the Rusk County Emergency Management Coordinator assesses the situation and makes recommendations.

- 5) The county shall do the following (to the extent appropriate):
 - a) Activate the County EOC.
 - b) Implement the County EOP.
 - c) Respond with county resources as requested.
 - d) Activate mutual aid agreements.
 - e) Coordinate county resources with municipal resources.
 - f) Notify Wisconsin Emergency Management (WEM) Regional Director.
 - g) Forward Uniform Damage Situation Report (UDSR) form.
 - h) Assist town with prioritizing and allocating resources.
- 6) When town and county resources are exhausted, the County Emergency Management Coordinator can request state assistance through Wisconsin Emergency Management (WEM).
- 7) When state assistance is requested, the WEM Administrator in conjunction with the Regional Director, County Emergency Management Coordinator and Municipal Emergency Management Coordinator assess the disaster or emergency situation and recommend that personnel, services and equipment be made available for response, mitigation or recovery.
- 8) After completing the assessment, the WEM Regional Director immediately notifies the State WEM Administrator.
- 9) The State Administrator of Emergency Management notifies the Governor and makes recommendations.
- 10) If state assistance is granted, procedures will be followed as stated in the Wisconsin EOP and the County EOP.

D. RESPONSIBILITIES AND TASKS:

Follow A-F of Town Emergency Operations Plan in your jurisdiction. See pages 9 & 10.

E. RESOURCE MANAGEMENT:

Rusk County: Additional support from Rusk County Departments may include all available departments as pertains to the situation. See Page 2.

Mutual Aid Reciprocal Agreements: See Page 7.

Support from Private Agencies/Volunteer Groups: See Page 2 & 3.

Support from State and Federal Agencies: Information and assistance in securing state or federal support may be obtained by contacting the County Emergency Management Coordinator. Requests for National Guard assistance should be channeled through the County Emergency Management Coordinator to the WEM Regional Director to the WEM Administrator.

F. PLAN DEVELOPMENT AND MAINTENANCE:

The Town of Atlanta Planning Commission is composed of seven members from the Town of Atlanta including the chairman of the town board. These individuals are responsible for developing and maintaining this plan.

The Planning Commission meet on an as needed basis, or as determined by the chairman of the town board or chairman of the Planning Commission. The Commission reviews incidents, changes and new information and makes revisions in this plan.

The Planning Commission also conducts after-action reviews of all exercises and major incidents.

This plan is accepted and adopted by the Town of Atlanta on this, the 11th day of
September, 2008.
